Tithe Sunday: This week we've returned to our practice of collecting our offerings on the first Sunday of the month. The pandemic hasn't been friendly to our finances. This month is our last opportunity to recover some of the loss of this fiscal year. At this point, our expenses outpace our giving by \$4000. You are always welcome to mail a check to our treasurer for deposit.

Membership and Church Practices:

If you are interested in membership at Chapel Hill Mennonite Fellowship, or if you have questions about church practices such as communion, baptism and reconciliation, please talk with the pastor or one of our deacons:

Michael Lee
Tana Liu-Beers
Nick Plummer
Sandra Vander Linde
Isaac Villegas (pastor)

Relationships:

Chapel Hill Mennonite Fellowship is a member of Central District Conference, a regional conference of Mennonite Church USA. Our congregation is also a member of the Supportive Communities Network, an LGBTQ-led Anabaptist-Mennonite association of congregations.
